

## Saint Joseph High School Board Election

Annually, the School Board Nominating Committee is responsible for filling the vacancies of members whose terms have expired. In the weeks ahead, names of School Board candidates will be submitted to Bishop Rhoades to approve and appoint members to next year's School Board. This year, we need to fill three (3) vacancies.

The Nominating Committee seeks practicing Catholics as candidates for membership on the Board. The Board is advisory and does not establish policy. Interested individuals should submit their names by completing the form below and email/mail it by Monday, April 22, 2019 to the attention of John Kennedy ([jkennedy@saintjoehigh.com](mailto:jkennedy@saintjoehigh.com)).
