

## Saint Joseph High School Directory 2019-2020

Though coursework moves to extended eLearning, the procedures for seeking support remain the same. Students or parents with questions are encouraged to first contact the teacher of the class. If additional support is necessary, the next step is for parents to contact the department chair. A third and final step would be to contact the Assistant Principal for Academics.

Specific supports are:

Technology/IT/Wi-Fi connectivity/hotspot - Ben Davidson / 574-232-1121 ([ihelp@saintjoehigh.com](mailto:ihelp@saintjoehigh.com))  
 Student Life (Attendance) - Corey Luczynski / 574-239-7665 ([mdavidson@saintjoehigh.com](mailto:mdavidson@saintjoehigh.com))  
 Modifications and IEP related support - Laurel O'Shaughnessy ([loshaughnessy@saintjoehigh.com](mailto:loshaughnessy@saintjoehigh.com))
